Where can I find Aceon batteries?

AceOn Battery Solar Technology LTD Battery Pack Manufacturing & Distribution Division Unit 9B, Stafford Park 12, Telford, Shropshire, TF3 3BJ +44 (0) 1952 293 388 / info@aceongroup.com Read more about Battery Distribution...

Who makes Aceon batteries?

In 2012, AceOn expanded by acquiring the Univercell Battery Company, consolidating all manufacturing operations at its Telford facility, an established production site active since 1993. This gives the business over three decades of hands-on battery design and production expertise.

What types of Bess systems does Aceon offer?

AceOn offers a comprehensive range of scalable commercial and industrial BESS solutions, from 100kW and 200kW systems to large-scale 500kW, 1MW, 2.5MW, and 5MW+ installations. Whether you operate on or off the grid, our expert team can design, engineer, and deliver a system tailored to your needs.
