

Arizer solo 2 battery

What are arizer Solo II batteries & chargers?

Arizer Solo II Batteries and Chargers are manufactured to strict quality standards, specifically for use with the Solo II. Only use official Solo II Batteries & Chargers. Do not use any third-party, counterfeit, or unknown brand batteries or chargers.

Can I replace my arizer solo battery?

The Solo Battery is covered under a limited 1-Year warranty and is also available for purchase upon request. To inquire about replacing your Solo Battery send us an email to: service@arizer.com. Arizer Batteries should not be substituted for third-party batteries -- Only use official Solo Batteries with your Arizer Solo.

Can I tamper with the arizer Solo II battery?

Do not tamper with or misuse the Arizer Solo II Battery, and do not use damaged/defective batteries or Solo II devices. Arizer Solo II should be stored in a safe, temperature controlled, cool, dry place. Do not store in extreme temperature environments. Extreme heat or cold can damage the device and/or battery.

How long does the arizer solo battery take to charge?

The battery will take 3-4 hours to fully charge, or longer if you use it while charging. If your battery is running low, with the Arizer Solo you don't have to wait for the battery to charge before you can use it. Just plug it in, set the temperature, and use the Solo while the battery continues charging.

How long do arizer batteries last?

Arizer Batteries meet rigorous quality standards. With normal use they will last for hundreds of charge cycles before losing any capacity. Dropping the battery or the unit can result in battery damage that may limit/reduce the battery capacity quickly, so it is important to handle your unit carefully.

Does arizer solo have a warranty?

Equipped for worldwide use with an input capacity of 110-240V with international safety certifications.
