

Avg cost per kwh for solar installation in upstate ny

How much do solar panels cost in New York?

As of January 2025, the average solar panel system costs \$2.92/W including installation in New York. For a 5 kW installation, this comes out to about \$14,608 before incentives, though prices range from \$12,417 to \$16,799. After the federal tax credit, the average price drops by 30%. You'll probably pay even less than what we show here.

How much does a 5 kilowatt solar system cost in New York?

You'll pay an average of \$14,608 to install a 5 kilowatt solar panel system in New York, before incentives. The federal investment tax credit (ITC) lowers that price by 30% of all your solar equipment and installation costs. Why trust EnergySage? As subject matter experts, we provide only objective information.

Is investing in solar panels worth it in New York?

According to feedback from over 500 solar energy customers in New York, solar panel investments pay off over time in the state. New York's decent amount of sunlight and relatively solar-friendly policies make it one of the best states for solar panels.

Are solar panels tax deductible in New York?

Solar equipment installed in New York is exempt from the state's standard 4% sales tax. While this won't lower the base cost of the panels, you do not need to budget for the additional cost. Under the state's Real Property Tax Law, property taxes on homes with new solar installations cannot increase for 15 years.

How much do PV panels cost in New York?

As mentioned above, the typical cost of PV panels in New York fluctuates between \$9,856 and \$24,640 for most residents. The range is so wide because there are quite a few cost factors that can swing your price above or below the average in your area.

How many solar installation companies are there in New York?

According to the SEIA, there are over 200 solar installation companies in New York. All of these installers charge different prices for solar conversion, which can include varying equipment costs and labor charges.
