

Beats solo 2 change battery

Why are my Beats Solo 2 wireless headphones not charging?

Beats Solo 2 Wireless Headphones can fail to charge any longer and may only work when connected to a charger. At this point you will need to replace the battery of the headphones. The battery can start to improperly work after damage or age has affected it. This can end up having the battery cause an electrical fire if not replaced.

Where can I find replacement parts for Beats Solo 2 headphones?

FixABeat is your go to site for replacement parts for Beats Solo 2 wired and wireless headphones. Listed here you will find replacement 2nd generation Solo2 headbands, Solo2 ear pads, Solo2 internal wires, connectors and more replacement parts.

How do I reassemble my Beats Solo 2 or 3?

Place your replacement battery and plug it into the mainboard. Plug in the replacement battery and put it in the original spot. (From: YouTube/Joe's Gaming & Electronics) Reassemble your Beats Solo 2 or 3. Re-assemble the parts and make sure the case clips back in nicely. (From: YouTube/Joe's Gaming & Electronics)

Is the Beats Solo2 a good headphone?

The Solo2 is a good headphone from Beats, with updated and improved acoustics that let you feel your music with a wider range of sound and enhanced clarity. It is also streamlined, lightweight, and more comfortable than ever.

How much does a beats battery repair cost?

Chances are, if you've had Beats wireless headphones before, you may have busted the battery of a few pairs. This could have led you to spend at least \$59 and wait for 3-10 business days for each Beats battery repair. That's ridiculous, considering you can get the replacement battery for as low as \$10 on Amazon!

How do I change the battery on my Beats headphones?

First-gen Beats headphones use two regular AAA batteries, so swapping them out should be easier than newer models. Follow these steps to do so: Find the left speaker of the headset. It's the one that doesn't have the power button. Rotate the cover counterclockwise with your fingers to loosen and remove the battery cap.
