

Can i change battery on sol republic punk

Here is the battery with the protective cover removed. The battery control board is clearly visible and will have to be transferred to a replacement battery, unless one can find a ...

Your product contains a battery which should only be removed by a SOL REPUBLIC approved service center or recycler. Do not try to remove or replace the battery yourself.

The 18490 Li_Ion battery for the Sol Republic Punk BT speaker is apparently not readily available. There is no way this speaker goes to the recycle bin because of that.

To properly install a new battery in the Sol Republic Punk, follow these steps: gather the necessary tools, remove the old battery, insert the new battery, and reassemble the ...

View the manual for the Sol Republic Punk here, for free. This manual comes under the category speakers and has been rated by 1 people with an average of a 7.5.

It boggles my mind how much sound SOL Republic can jam into a speaker that can fit into your palm. You can grip it with one hand. However, some customers have reported ...

No, Sol Republic Punk speakers do not have user-replaceable batteries --but that doesn't mean you're powerless when battery life declines. Imagine your favorite wireless ...
