

What services does CzechInvest offer?

Our provided services include formulation of an itinerary of business trips in the Czech Republic, interpreting and transport. CzechInvest uses the supplier database CzechInvest has extensive experience with organising Supplier days.

Why are Czech businesses investing in renewable projects without subsidies?

The subsidy increases to cover up to 75% of costs for community projects. But what we noticed at Wattstor is that Czech businesses are investing in renewable projects even in the absence of subsidies, because they have realised the strong business case for generating clean energy on site.

What is CzechInvest?

CzechInvest connects foreign investors with suppliers or JV partners from the Czech Republic. Where can you register? The database is available here Who uses the database?
