How does Airdrop shipping work?

Use your AirDrop address for shipping when shopping at your favorite U.S. online store and buying your desired product. Your package will be forwarded to your destination, and customs clearing and processing will be handled on your behalf by AirDrop.

What is an airdrop reward?

An airdrop is the distribution of a project's tokens to community members for free or in exchange for performing certain actions, such as registering, or completing social media tasks. What does the reward type "Points" mean, and will I receive an airdrop for them? Points are a scoring model for completing tasks.
