When is the battery show & Ev Tech Expo 2025?

The Battery Show and EV Tech Expo are back in Downtown Detroit on October 6-9, 2025, celebrating their 15th anniversary! This premier event brings together engineers, business leaders, top-industry companies, and innovative thinkers to discover ground-breaking products and create powerful solutions for the future.

Why should you attend the battery Show Expo?

Adam, IronMarkets I highly recommend The Battery Show Expo for its cutting-edge innovations and valuable networking opportunities. It is a must-attend event for anyone looking to stay updated and connected in the battery and electric vehicle industry. Zhang, University of Michigan

What is the best battery Show Expo?

One of the neatest shows for new and emerging battery tech, with a great location and an overall very electric atmosphere. Adam, IronMarkets I highly recommend The Battery Show Expo for its cutting-edge innovations and valuable networking opportunities.

Why should you attend a battery technology trade show?

With over 21,000 industry professionals, attendees will enjoy four full days of educational sessions, networking opportunities, and a chance to discover the latest market innovations from more than 1,300 exhibitors at one of the world's largest battery technology trade shows. Don't miss your chance to be part of this extraordinary event!

Join Europe's leading advanced battery technology event in Stuttgart, June 9-11, 2026. Explore innovations, network with industry leaders, and discover the future of battery manufacturing.

With the rapid expansion of the energy storage industry and the continuous enrichment of application scenarios, the demand for battery energy ...

At RE+ 2025, held at the Venetian Expo & Caesars Forum in Las Vegas, SAMSUNG SDI unveiled an exhibition booth organized into five dedicated zones--SAMSUNG ...
