

Goodwe solar battery installation quotes

Who are goodwe solar batteries?

GoodWe are a well known brand in the solar industry, mainly for their cost-effective and function rich solar inverter range. Their batteries look to mainly designed for customers who have already installed or who are in the process of having a GoodWe inverter system installed.

Are goodwe batteries any good?

Goodwe batteries are a different story as there is so much more that can go wrong. I have had feedback from installers who have had poor experiences installing, configuring, and getting tech support from Goodwe for their batteries. Until Goodwe improves its battery design, ease of installation, and support, I won't recommend them for batteries.

Which batteries are compatible with the GoodWe ES G2 inverter?

The GoodWe ES G2 inverter is compatible with a wide range of low-voltage batteries such as the GoodWe Lynx Home U Series battery. It is ideal for homeowners looking to achieve a high degree of energy autonomy, a reliable power supply, and lower energy bills.

How much does a goodwe battery cost?

Based on quote information uploaded by Solar Choice's pre-vetted network of reputable battery installers, the average cost of installing a GoodWe battery is \$13,000 for their 10.3 kWh model including installation. This places GoodWe in the middle in terms of price comparison.

Who makes goodwe solar inverters?

Jiangsu GoodWe Power Supply Technology Co Ltd, founded in 2010 in Suzhou, China, and are primarily known as a manufacturer of solar inverters. They have typically provided a feature rich but lower cost option to some of the mainstream European brands. GoodWe entered the solar battery market in 2021 with the first version of their Lynx home battery.

Do goodwe batteries come with a warranty?

All of GoodWe's different battery models come with a 10-year product warranty. This is broadly seen as the market standard for solar batteries, although you do see some models with a 5 year warranty, and at the time of writing only Enphase has a longer 15 year warranty.
