What are tank classes in Guild Wars 2?

In Guild Wars 2, tank classes don't follow the heavy armor sword and shield tank stereotype. Here tanks can be medium armor classes, heavy armor, even light armor classes. They usually act like supports providing defensive boons like Protection, Aegis, and Stability while keeping the boss busy and pointed away from allies.

Does Guild Wars 2 require a tank?

With the exception of a few Raids, most content in Guild Wars 2 isn't designed around requiring a tank. Dodging is usually enough for any class to avoid damage and most classes have plenty of survivability. However, that isn't to say you can't play your character like a tank.
