Can you make a piggy bank with your kids?

Making a piggy bank is a fun project that you can do with your kids. It's a great way to increase the parent-child bond and also teach your kids how to save money from a tender age. All the projects listed in this article are very easy to make. Before choosing a DIY project you want to make, be sure you can easily get the materials and tools used.

How to save money with a piggy bank?

Using a piggy bank will help you learn to save. This is made of a carton in a cube shape and you can retrieve the money at any time. Cut the measurements of the carton and assemble it. The making process is pretty much easy to follow. 2. DIY Piggy Bank Plastic Bottle You can convert an old bottle into a useful savings container for yourself.

How to make a cube piggy bank?

To make this cube piggy bank, you will need to know how to work with wood materials. Create a pattern and cut it out. Sand and carve then make a hole to insert the money. You can also paint it. 8. DIY Electronic Piggy Bank This is a wooden piggy bank that counts all the money using a flex sensor and reset button displayed with an LCD screen.

Is a piggy bank a good idea?

In a time when everything is becoming more and more expensive, and saving is not or hardly possible anymore, an old-fashioned piggy bank is a godsend. Many nickels, dimes, and quarters that have been saved, form some cash to be able to do something extra. This piggy bank is a real one and has no secret opening to get your money out.

How to make a piggy bank out of a book?

This is an easy way to save up all your coins and to keep your money hidden if you put it on your bookshelf with all your other books. All you have to do is hollow out the book and line it with cardboard. Then add a piece of cardboard with a slot at the top, decorate it however you like, and you've made a piggy bank out of a book!
