

Libya energy storage conference

What is Libya Energy & Economic Summit?

The fourth edition of the Libya Energy & Economic Summit will gather corporate leaders, regional ministers and policymakers, service and technology providers, and power and renewable energy firms in Tripoli. This is Libya's global energy event, and the only major energy summit series to be held in Libya.

What is the energy storage global conference?

The Energy Storage Global Conference offers the opportunity to industry, researchers, and policymakers to exchange views and debate key issues faced by the energy storage sector. The 3-day conference will also explore the extent to which energy storage can help avoid dependency on fossil fuels in order to balance the electricity system.
