

Moultrie solar battery

What does the Moultrie Mobile solar power pack do?

The 10W UNIVERSAL SOLAR POWER PACK ditches battery changes by providing solar power to your trail camera. It is highly efficient, providing up to 8x power, and works in partial shade.

Does Moultrie have a solar panel?

Yes, Moultrie does have a solar panel to ensure a continued source of power for your wildlife feeders and trail cameras.

What is a Moultrie 10W solar power pack?

Don't let battery changes slow you down. Upgrade your gear with the Moultrie 10W Universal Solar Power Pack and experience the freedom of continuous power for your trail cam, wildlife camera, and all your outdoor adventures. Moultrie Plastic 2.87" x 11.13" x 9.69" High Efficiency MC3, USB-C 9.69" x 11.13" x 2.875"

What is a Moultrie Mobile battery?

A Moultrie Mobile battery is made to the highest industry standards.

How is the battery life of Moultrie?

In photo mode, the battery life of Moultrie is quite impressive, and we have seen over 10,000 pictures. However, in video mode, the battery life is not as good. After ten days of use and 200 short videos, the included batteries were down to below 50%.

How many batteries does a Moultrie camera need?

The Moultrie camera is powered by only four batteries, which are included in the kit. The "42i" version has an invisible flash and boasts a 42 megapixels resolution. As with most Moultrie cameras, the detection range is exceptional, but we have noticed an unusual number of false triggers.
