

Nsw solar battery rebate 2025

What is NSW's 2025 battery rebate?

NSW's 2025 Battery Rebate is now a VPP incentive offering up to \$1,500 for eligible solar battery systems. See eligibility, savings, and how to combine with the federal rebate

What is the NSW solar rebate in 2025?

The NSW Solar Rebate in 2025 offers a golden opportunity to reduce energy costs and contribute to a sustainable future. With STC rebates, new battery incentives, and interest-free loans, there's never been a better time to go solar.

Are there rebates for solar battery storage in NSW?

There are available solar battery rebates and schemes for homes and businesses across NSW. Here are the official scheme reductions for solar battery storage from the NSW Government. Homes and businesses with existing solar can get a value off the up-front installation cost of a battery, depending on the battery size.

Does Australia have a solar battery Rebate program?

The program initiated November 1st 2024 with no end date, and is aimed to help stabilise the grid, further contributing to Australia's Net Zero targets and reducing overall emissions. There are available solar battery rebates and schemes for homes and businesses across NSW.

Does NSW offer a battery rebate?

This incentive can be combined with the Federal Battery Rebate which offers around 30% off a home battery (worth up to ~\$344 per usable kWh). For more details, refer to the Energy NSW rebate update and the ministerial media release. What Is the NSW Virtual Power Plant (VPP) Incentive?

Which batteries are eligible for solar energy storage in NSW?

Batteries like the Tesla Powerwall 2 or 3 are eligible. They offer storage capacities of 13.5 kWh or more, ideal for powering your home during non-sunlight hours. In addition to NSW's incentives, the Federal Government's Solar Battery Rebate for 2025 further sweetens the deal for energy storage.

The NSW battery rebate ends July 1, 2025. Learn what's changing, what rebates remain, and how it affects your solar battery plans moving forward.
