

# Solar and battery package melbourne

Why should you choose a solar battery installation Melbourne?

With batteries, you can use your own stored sunshine instead of relying on the electricity grid. We Have the Perfect Solar Battery Installation Melbourne! From your initial consultation to the final panel click, our experts will guide you every step of the way, ensuring a system perfectly tailored to your needs.

Where can I find the best solar battery deals in Adelaide?

At Solutions4Solar we offer unbeatable solar deals in Victoria and the best solar battery deals in Adelaide. Call us on 0459 885 839 to get a quote and save on energy with our solar packages.

Why should you choose a solar package in Victoria?

Go Green: Our impressive solar packages help reduce carbon footprint and save our planet. Whether in Melbourne, Adelaide, or anywhere in Victoria, our affordable packages fit your budget and energy needs. Our remarkable solar deals in Victoria have led to the successful completion of numerous projects.

Are solar panels available in Australia?

There are various brands available in Australian market right now. Most panels are manufactured in China, however some are more reliable than others due to their presence in Australia. We have shortlisted a range of panels based on efficiency, performance, warranties, local presence and reviews of our customers.

Can you get a solar rebate in Victoria?

Get up to a \$1,400 Solar Rebate. The Victorian Government is providing up to \$1400 rebate to eligible households for installing Solar Panels. Rebates are capped, so you need to get in quick. Use the sun's power captured during the day in the evening's with a Battery energy storage system.

Can you save money on a solar battery bundle?

Save \$1,000 on a solar battery bundle thanks to the Federal Government's Cheaper Home Batteries program. There's never been a better time to buy a solar battery. Cheaper Home Batteries rebate is available for one battery system at a single premises only. Why choose AGL? Monthly repayments based on a 5-year loan term at 7.09% p.a. through Plenti.
