

Solar battery box for trailer

How secure are RV battery boxes?

With RV battery security in mind, each locking battery box was specifically engineered to prevent increasingly common battery theft and related damage to wiring from 'cut and run' thefts. Keep expensive batteries under lock and key with PowerArmor and PowerArmor Solar's secure RV battery boxes.

What is a solar battery box?

This product is perhaps more commonly called a 'solar battery box' but is also referred to as a 'pole mount battery box'. Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

How many batteries can a powerarmor battery box hold?

The PowerArmor battery boxes provide safe lockable storage and are available in multiple box sizes. Enjoy a secure compartment for storing up to five batteries, various gear or other equipment. Box sizes accommodate a multitude of battery types, including both 12 and 6-volt battery applications.
