Coleman 18W 12V Solar Battery Charger Kit, 58033 at Tractor Supply Co. Buy Coleman 18W 12V Solar Battery Charger Kit, 58033 at Tractor Supply Co. Great Customer Service.

What is a solar trickle charger?

Stay powered up and ready to go with our selection of Solar Trickle Chargers. Perfect for maintaining the charge on your vehicle's battery, RV, boat, or ATV, these solar chargers harness the power of the sun to keep your batteries topped off and ready for action.

Do you need a solar trickle charger?

That's where solar trickle chargers come in handy, especially during these long, sun-soaked July days. Folks who rely on tractors, ATVs, boats, or even that old pickup sitting by the barn know the frustration of a dead battery right when you need to get moving.

Are solar trickle chargers a good investment?

Whether you're maintaining a fleet of farm equipment or just want peace of mind for your weekend adventures, a solar trickle charger is a smart, low-maintenance investment that pays off every time you turn the key and get right to work. Keep your equipment charged and ready with Solar Trickle Chargers from Tractor Supply Company.
