

Solar or battery outdoor christmas lights

Are solar Christmas lights a good idea?

Our solar Christmas lights are beautiful, easy to install, and a cost effective way to decorate your home or business. They're a great way to keep your home in the festive spirit without bulky and unsightly extension cords or having to replace batteries throughout the holiday season.

Can you use solar Christmas lights outside?

These solar holiday lights are best used outdoors, among flower beds, and even your greenhouse. Keep in mind that these lights are far less durable than standard Christmas LEDs. Another disappointment was that I discovered that from afar there's nothing special about them -- they look just like any other fairy lights.

What are solar Christmas lights?

Solar Christmas lights are lights that look and work just like other decorative holiday lights, except they are much more environmentally friendly, as they run on solar power. With solar bulbs, you'll be able to save on your electric bill.

Do solar Christmas lights need an outlet?

Solar Christmas lights don't require an outlet and instead run on power from the sun. Solar-powered lights are also ideal for outdoor spaces like bushes, fences, trees and more. Don't have an electrical outlet nearby? Lowe's also carries battery-powered lights for illuminating those dark spaces. [Christmas Light Styles](#)

How long do solar Christmas lights last?

Up to 8 hrs. These snowflake solar Christmas lights are a great addition to any outdoor holiday display. There are 50 cool white lights inside the crystal-clear snowflakes, which are strung on a clear wire that glows in the brightness and gives off an icy look.

Do solar outdoor Christmas lights affect your electric bill?

Enter solar outdoor Christmas lights, which, as their name implies, use the sun to charge them and keep them shining bright. Not only do they not affect your electric bill, but they're way more convenient than traditional plug-in lights because you don't have to strategically place them near an outlet.
