

# Sumup solo battery life

How long does a SumUp solo battery last?

The SumUp Solo's battery life is officially rated for 100 transactions on a full charge. However, actual battery duration depends on usage. With maximum screen brightness and frequent testing, it can lose half its power in about an hour. If used only for transactions with low screen brightness, it lasts longer.

How long should a sum up solo hold its charge?

How long should a Sum Up Solo hold its charge after being fully charged? The SumUp Solo's battery life is officially rated for 100 transactions on a full charge. However, actual battery duration depends on usage. With maximum screen brightness and frequent testing, it can lose half its power in about an hour.

What is SumUp solo?

SumUp Solo is a unique touchscreen card terminal to fit in your pocket. SumUp Solo is a standalone, handheld card reader with a touchscreen. For just an upfront price, it is an affordable terminal without monthly fees, commitment or a complicated setup. Pros: Compact terminal. Works anywhere with 4G or WiFi. No ongoing fees. Simple to use.

How does a SumUp solo card reader work?

Instead, it is operated exclusively via the front-facing touchscreen, like a purpose-built mobile device for card payments. All the box contents of a SumUp Solo package. The card reader comes with a built-in SIM card with unlimited data for 4G connectivity, but can also function through WiFi.

Does SumUp solo have a lid?

The countertop dock's clear, magnetically attached lid is a great, stylish protection to keep the reader free from dust and dirt. The included decals showing all the cards accepted by SumUp Solo can be stuck onto the lid perfectly. SumUp Solo in its dock with lid on. With the lid off, chip cards can be inserted.

What are some complaints about SumUp solo?

We have also seen several complaints about SumUp Solo in particular, mirroring our experiences of the product. This includes a short battery life (up to 4 hours maximum, according to one user), frozen screens and unwelcome updates preventing you from taking payments when needed.
